## OVERVIEW

---

Bryan focuses his practice on commercial litigation as well as construction and business law. For the past three decades, he has successfully guided closely held businesses and other clients through formation and financing, shareholder disputes and employment litigation. Businesses range from start-ups to well-established entities that need help with succession planning. His diverse client base includes health care professionals, insurance agencies, manufacturers, accounting firms, real estate developers and hotels. Within the construction industry, Bryan represents owners, general contractors, subcontractors and material suppliers.

## EXPERIENCE

---
